

Llanillo State
& Traps

Tremadoc & Maentwrog
General Section

22 June 1935
with E.O. Welch & S. Colwell.

Saw the same Middle & Lower Cambrian contact
 on Robbins Trench, about $\frac{3}{4}$ mile south of Cowley
 quarry. Here the conglomerate rests directly
 on much lower (100-150') beds of the lower
 Cambrian, (distinct indication of position, and
 Stenonella zone). The quantity of fossils is
 less in size than in the quarry, but the same
 as much as to include in detail. Mr. Cobbold
 proposed some of his trenches so that we will
 see the character and small faulted character
 of the outcrop and the distinctive character of
 the beds at and adjacent to the contact.

See Cobbold's ¹⁹¹⁵ paper (Geological Assoc.) p. 112.

A hand-drawn geological sketch of a stratigraphic column. The column is represented by a vertical line with several horizontal lines indicating different layers. To the left of the column, there are handwritten notes: "dip a little east of S." and "dip a little west of S.". To the right of the column, there are several labels and measurements:

- "30' - 40' - 50' - 60' - 70' - 80' - 90' - 100' - 110' - 120' - 130' - 140' - 150' - 160' - 170' - 180' - 190' - 200' - 210' - 220' - 230' - 240' - 250' - 260' - 270' - 280' - 290' - 300' - 310' - 320' - 330' - 340' - 350' - 360' - 370' - 380' - 390' - 400' - 410' - 420' - 430' - 440' - 450' - 460' - 470' - 480' - 490' - 500' - 510' - 520' - 530' - 540' - 550' - 560' - 570' - 580' - 590' - 600' - 610' - 620' - 630' - 640' - 650' - 660' - 670' - 680' - 690' - 700' - 710' - 720' - 730' - 740' - 750' - 760' - 770' - 780' - 790' - 800' - 810' - 820' - 830' - 840' - 850' - 860' - 870' - 880' - 890' - 900' - 910' - 920' - 930' - 940' - 950' - 960' - 970' - 980' - 990' - 1000' - 1010' - 1020' - 1030' - 1040' - 1050' - 1060' - 1070' - 1080' - 1090' - 1100' - 1110' - 1120' - 1130' - 1140' - 1150' - 1160' - 1170' - 1180' - 1190' - 1200' - 1210' - 1220' - 1230' - 1240' - 1250' - 1260' - 1270' - 1280' - 1290' - 1300' - 1310' - 1320' - 1330' - 1340' - 1350' - 1360' - 1370' - 1380' - 1390' - 1400' - 1410' - 1420' - 1430' - 1440' - 1450' - 1460' - 1470' - 1480' - 1490' - 1500' - 1510' - 1520' - 1530' - 1540' - 1550' - 1560' - 1570' - 1580' - 1590' - 1600' - 1610' - 1620' - 1630' - 1640' - 1650' - 1660' - 1670' - 1680' - 1690' - 1700' - 1710' - 1720' - 1730' - 1740' - 1750' - 1760' - 1770' - 1780' - 1790' - 1800' - 1810' - 1820' - 1830' - 1840' - 1850' - 1860' - 1870' - 1880' - 1890' - 1900' - 1910' - 1920' - 1930' - 1940' - 1950' - 1960' - 1970' - 1980' - 1990' - 2000' - 2010' - 2020' - 2030' - 2040' - 2050' - 2060' - 2070' - 2080' - 2090' - 2100' - 2110' - 2120' - 2130' - 2140' - 2150' - 2160' - 2170' - 2180' - 2190' - 2200' - 2210' - 2220' - 2230' - 2240' - 2250' - 2260' - 2270' - 2280' - 2290' - 2300' - 2310' - 2320' - 2330' - 2340' - 2350' - 2360' - 2370' - 2380' - 2390' - 2400' - 2410' - 2420' - 2430' - 2440' - 2450' - 2460' - 2470' - 2480' - 2490' - 2500' - 2510' - 2520' - 2530' - 2540' - 2550' - 2560' - 2570' - 2580' - 2590' - 2600' - 2610' - 2620' - 2630' - 2640' - 2650' - 2660' - 2670' - 2680' - 2690' - 2700' - 2710' - 2720' - 2730' - 2740' - 2750' - 2760' - 2770' - 2780' - 2790' - 2800' - 2810' - 2820' - 2830' - 2840' - 2850' - 2860' - 2870' - 2880' - 2890' - 2900' - 2910' - 2920' - 2930' - 2940' - 2950' - 2960' - 2970' - 2980' - 2990' - 3000' - 3010' - 3020' - 3030' - 3040' - 3050' - 3060' - 3070' - 3080' - 3090' - 3100' - 3110' - 3120' - 3130' - 3140' - 3150' - 3160' - 3170' - 3180' - 3190' - 3200' - 3210' - 3220' - 3230' - 3240' - 3250' - 3260' - 3270' - 3280' - 3290' - 3300' - 3310' - 3320' - 3330' - 3340' - 3350' - 3360' - 3370' - 3380' - 3390' - 3400' - 3410' - 3420' - 3430' - 3440' - 3450' - 3460' - 3470' - 3480' - 3490' - 3500' - 3510' - 3520' - 3530' - 3540' - 3550' - 3560' - 3570' - 3580' - 3590' - 3600' - 3610' - 3620' - 3630' - 3640' - 3650' - 3660' - 3670' - 3680' - 3690' - 3700' - 3710' - 3720' - 3730' - 3740' - 3750' - 3760' - 3770' - 3780' - 3790' - 3800' - 3810' - 3820' - 3830' - 3840' - 3850' - 3860' - 3870' - 3880' - 3890' - 3900' - 3910' - 3920' - 3930' - 3940' - 3950' - 3960' - 3970' - 3980' - 3990' - 4000' - 4010' - 4020' - 4030' - 4040' - 4050' - 4060' - 4070' - 4080' - 4090' - 4100' - 4110' - 4120' - 4130' - 4140' - 4150' - 4160' - 4170' - 4180' - 4190' - 4200' - 4210' - 4220' - 4230' - 4240' - 4250' - 4260' - 4270' - 4280' - 4290' - 4300' - 4310' - 4320' - 4330' - 4340' - 4350' - 4360' - 4370' - 4380' - 4390' - 4400' - 4410' - 4420' - 4430' - 4440' - 4450' - 4460' - 4470' - 4480' - 4490' - 4500' - 4510' - 4520' - 4530' - 4540' - 4550' - 4560' - 4570' - 4580' - 4590' - 4600' - 4610' - 4620' - 4630' - 4640' - 4650' - 4660' - 4670' - 4680' - 4690' - 4700' - 4710' - 4720' - 4730' - 4740' - 4750' - 4760' - 4770' - 4780' - 4790' - 4800' - 4810' - 4820' - 4830' - 4840' - 4850' - 4860' - 4870' - 4880' - 4890' - 4900' - 4910' - 4920' - 4930' - 4940' - 4950' - 4960' - 4970' - 4980' - 4990' - 5000' - 5010' - 5020' - 5030' - 5040' - 5050' - 5060' - 5070' - 5080' - 5090' - 5100' - 5110' - 5120' - 5130' - 5140' - 5150' - 5160' - 5170' - 5180' - 5190' - 5200' - 5210' - 5220' - 5230' - 5240' - 5250' - 5260' - 5270' - 5280' - 5290' - 5300' - 5310' - 5320' - 5330' - 5340' - 5350' - 5360' - 5370' - 5380' - 5390' - 5400' - 5410' - 5420' - 5430' - 5440' - 5450' - 5460' - 5470' - 5480' - 5490' - 5500' - 5510' - 5520' - 5530' - 5540' - 5550' - 5560' - 5570' - 5580' - 5590' - 5600' - 5610' - 5620' - 5630' - 5640' - 5650' - 5660' - 5670' - 5680' - 5690' - 5700' - 5710' - 5720' - 5730' - 5740' - 5750' - 5760' - 5770' - 5780' - 5790' - 5800' - 5810' - 5820' - 5830' - 5840' - 5850' - 5860
